Course Aim

COSS Recertification event is not a training course. Individuals are expected to attend the recertification event prepared to sit the knowledge and practical assessments. During the event there will be opportunities for discussion (based upon the revision described below) along with relevant exercises relating to Non Technical Skills, Behaviours and Human Factors.

There is no verification assessment, no one will be sent away from the course prior to sitting the knowledge assessment.

Key topics

- Communicating Clearly
- Planning a Safe System of Work
- Checking cards and giving a briefing
- Working in a possession, PICOS
- Working alone
- Incidents when the line is unsafe.
- Line Clear Verification
- The role of the RIO

Course Objectives

By the end of this event, delegates will be able to:

- Carry out the duties of COSS to the standard of competence laid down in the written and practical assessments and in accordance with relevant Railway Group Standards.
- Accept OLP documentation.
- Accept CRP documentation (only valid if Learner holds PTS DCCR Certification)
- Accept Line Clear Verification documents!
- Test the conductor rail using an approved Live Line Tester

Please continue to the next page to view the pre-requisites.
