#### Course Aim

This is a competence aimed at individuals who need to receive Permits to Work, Sanctions for Test and Circuit State Certificates.

#### Key topics

At the end of training the learners will:

- Be familiar with the design and format of Distribution safety documentation.
- Understand the requirements for receiving, transferring (where applicable) and cancelling Distribution safety documentation.
- Understand their responsibilities as the recipient of Distribution safety documentation.

#### Level D - Prerequisites

- Must be able to read and communicate effectively in English.
- Candidates must be 18 by the course start date.
- Formal ID - Valid Passport or UK Photo Driving Licence
- Copy of valid First Aid certification (that includes a briefing for electrical accidents) or equivalent.
- Hold a Sentinel card endorsed with a valid PTS competency.
- A Valid PTS Medical and Drugs & Alcohol Screening must be uploaded to your Sentinel profile under correct sponsor.

**Competency valid for 2 years.**
